MEET THE OWNER

CLARISSA SCHULZ

I've always been the girl that enjoyed watching Rom-Coms, the Bachelor/Bachelorette, and was almost guaranteed to cry at friends' weddings. Now, I love being a part of each and every couple's day. Being involved in the decisions and the little moments in each wedding make this work so special.

I was born and raised in Southern California, but when I attended college in the Bay Area, I was able to explore so many beautiful areas of this state. The Bay is also where I met my husband! We eloped in 2020 and live in Orange County with our pup, Rosie.

I began organizing events in college, and I fell in love with it. It is truly my calling. Since then, I've mentored under top industry professionals, and am a Certified Wedding Planner and a graduate of Planner Life Academy. It's so important for me to have the top industry knowledge for my clients, to ensure they have the best day and planning experience possible.

UNDERSTANDING THE INVESTMENT

HOW WE DETERMINE OUR SERVICE FEES

BEHIND THE SCENES

- *A note on pricing:*
 - Our pricing is flexible, and varies from event to event. We include a starting price in this packet to get a sense of what we typically charge. However, there are many variables that alter this pricing. The best way to get an accurate proposal for your specific event is to schedule a call with us!
- Our time is valuable, and we spend many hours making your event the best it can be! We want you to walk away from your day feeling that you made the best decision in hiring Infinite Love Events to make your wedding day happen.
- There are many unseen costs in our business, including the systems we utilize, assistants we hire, and supplies we need on the day of events.
- The event is not a singular product. We provide a service over many months, to support you through one of the biggest events of your life!
- Our commitment is to quality over quantity. We dedicate a certain amount of time and attention to each client, and only take a maximum of 15 events per year and only one wedding per weekend. We take the responsibility of our work seriously, and therefore in the event of a cancellation, we don't simply fill the date with another client.

FREQUENTLY ASKED QUESTIONS

WHERE DO YOU WORK?

We are based in Southern California, but love to travel anywhere wedding planning takes us! There is an additional cost when traveling outside of Southern California, however, there are no added fees when working in the SF Bay Area.

WHAT IF YOU HAVEN'T WORKED AT MY VENUE? DO I NEED TO HAVE A VENUE BOOKED?

If we haven't worked at your venue, that is not a problem! We love connecting with new venues, and we will take the time to tour it and learn about their specific policies. That being said, you do not need to have a venue booked to begin working with us! If you begin with our venue search or full service planning package, we're more than happy to find the best fit for you!

WHO WILL YOU BE WORKING WITH?

You will be working with Clarissa as your lead planner and coordinator! All of our packages include 1 assistant on wedding day.

ARE YOU INSURED?

Yes! We are licensed and insured.

WILL YOU HAVE A TEAM DAY-OF?

On the day of your event, your lead planner, Clarissa will coordinate the day. All of our packages include 1 assistant, however depending on guest count and the size of the property, more than 1 assistant may be needed.

DO YOU HAVE AN EXCLUSIVE VENDOR LIST?

We don't have an exclusive vendor list, but we do have preferred vendors that we work with. A great vendor team begins with people you trust! Vendors on our preferred list have been vetted, and we know they consistently produce quality product and service.
